TRAVEL INSURANCE WAIVER

This waiver is to confirm that you understand that unforeseen health and related problems can occur before, and while traveling, which may make it necessary for you to cancel your participation on EuroTour and risk losing tour payments or incurring additional costs while on tour. Also this document confirms that you have been informed by Sport EuroTour, Expanding Horizons, Inc. on the availability of trip cancellation and trip interruption travel insurance. **You can get detailed information from CSA about this type of coverage by calling 800.348.9505.**

From our years of experience, trip cancellation and trip interruption insurance coverage, has proven worthy in protecting the interests of the player and family. Approximately 3% of our participants cancel less than 14 days prior to tour departure due to personal or family illness or injury.
